                                    Gé ékono re  
                                    Jeun todara la si ko  
                                    Mà jeun ju

*Chorus*                     Clean and tidy  
                                    Ready to learn  
                                    Get your books now  
                                    Let's go to school

Translation from Yoruba:

*It's time for school,  
Wash yourself  
Cut your nails  
Have some food, but not too much  
Be ready for school*
